Shaping the Learner has trained thousands of people (educators, district officials, learners and parents) and is in great demand in the ground breaking training that we are doing. Find out why. See www.shapingthelerner.com

A Trained Educator Has Less Classrooms Stress!

“We have gained more insight on how to discipline our learners without using corporal punishment.”

Fikile Motaung – Thabisile Junior Primary School

“This workshop was excellent it was great eye opener. I hope there will be no turning back. It was really helpful.”

Thobile Mosiako – Thabisile Primary School

About The Workshop

The workshop can be done at your school venue on weekdays mornings or afternoons) or on weekends. The workshop duration can vary from short (3-hours) to longer (4 days).

Cost per workshop vary depending on variables - ask for a quote.
